## ■ Tips & Tricks

### 1. Natural Language Works!

You don't need to remember commands. Just ask naturally:

- "Explain photosynthesis"
- "Quiz me on Newton's laws"
- "Make a worksheet for class 8 math"

### 2. Bookmark Important Topics

Type `/bookmark_topic [topic]` to save topics for quick revision later. View all bookmarks with `/view_history`.

### 3. Get Different Perspectives

- Use `/simplify_topic` for simple explanations
- Use `/give_analogy` for real-life examples
- Use `/explain_topic` for detailed academic explanations

### 4. Practice with Real Questions

Our quiz questions come from actual Punjab Board syllabus materials. Practice regularly to prepare for exams!

### 5. Share with Friends

Type `/share` to get a link you can share with classmates and teachers.

■ **Pro Tip:** The more you use AiSabaq, the better it understands your learning style. Keep practicing! ■
